

I support media diversity

I am writing to you about Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules. I think the FCC should retain all of the current media ownership rules in order to limit large corporate control of the broadcast industry's market power.

This would best serve the public interest.

In addition to the official hearing on this matter in Richmond, VA, I strongly urge the FCC to hold additional hearings besides the official hearing in Richmond, Va. in order to invite participation by more of the public. The Commission needs to take the time to review these issues more thoroughly and allow the American people to have a meaningful say in the process.

Thank you,

Winnie Harrison
